Local Study Group Offers 3 Proposals

A group of citizens representing Lemon Grove organizations, schools and churches presently is studying three proposals to unify schools here.

The Lemon Grove Community Study Committee, charged with the responsibility of studying school district organizations, is exploring the possibilities that:

- Schools might unite under one, entire Grossmont District;
- That a combination Lemon Grove and La Mesa-Spring Valley District might serve the needs of the schools in the area;
- Or a unified Lemon Grove District might be established with possible boundary revisions.

Unification deals with the combining of school grades so that kindergarten through the twelfth grade are under one school board and one administration.

Suggestions Asked

Members of the Community Study Group are investigating all aspects of unification before making recommendation to the Grossmont Area Study Group. Local members have accepted assignments to explore alternate organizational plans, to meet with neighboring district groups to obtain and share information, and to report to the Community Study Committee here.

Dr. Norman Wollitz, chairman of the Lemon Grove group, said the committee has no preconceived notions for organization here, and that the committee welcomes written suggestions from individuals or organizations. They may be addressed to the Community Study Committee on School District Organizations, P.O. Box 128, Lemon Grove.

Confusion Exists

Because of a similarity in terms, the committee feels confusion exists between the unification study and the present incorporation movement. Dr. Wollitz said. Although the two proposals for organization are under consideration at the same time, they are coincidental and separate.

Incorporation is a legal process through which a community gains status as a city. Incorporation of Lemon Grove would have no legal or direct bearing on any unification proposal involving the present Lemon Grove School District.

Unification Studies Required

The unification study is the result of legislation which requires all areas in California to submit proposals for unification to the State Board of Education by September, 1964.

Impetus for the incorporation action in Lemon Grove and Spring Valley was recent legislation, specifically Assembly Bill 1662, which establishes an Agency Formation-Local Annexation Commission. The commission has power to approve or disapprove all future annexations or incorporations. The incorporation movement here started before the new agency took effect, so that Lemon Grove and Spring Valley could avoid the commission's jurisdiction.

Chairman Wollitz, who repre-

sents the Lemon Grove Methodist Church on the L.G. Community Study Committee, said the group will meet November 13, November 26 and December 11. All meetings will begin at 7:30 p.m. in the Lemon Grove Education Center.

Footfalls Secondary Council, PTA, announced it is planning a meeting December 4 to explain and discuss unification in the Grossmont area. Time and place will be announced later.

Members Named

Members of the L.G. Community Study Committee for School District Organization are Mrs. Clarine McDermott, secretary representing the School Employees' Association; Mrs. J. M. Prince, Vista La Mesa Christian Church; Lyle H. Stumbaugh, member of both the Lemon Grove school board and the Lemon Grove Chamber of Commerce; J. J. Grandjean, Lemon Grove District Teachers Association; Mrs. Lillian Collette of Footfalls Secondary PTA Council and Mount Miguel PTA; and Gerald Health, Palm Junior High PTA.

Also Mrs. Josephine Smith, Golden Avenue PTA; Rev. E. Walter Smith, First Congregational Church; R. Paul Reynolds, Lemon Grove School District; and Mrs. R. T. Bullock, Helix high PTA.

Armstrong Says Hartman Is Commission Kingpin

Tom Gorton
News Editor

"How he (R. Adm. Hartman) can represent the public, I don't know," Frank Armstrong told the Lemon Grove Men's Club last Friday.

Hartman officially became the fifth member Monday of the controversial new Agency Formation-Local Annexation commission, which will have the power to rule on all future annexations and incorporations in the county.

"He (Hartman) is the controlling member of the commission," Armstrong said. The commission is composed of five members, two representing the cities of the county, two representing the county, and the fifth member representing the publication.

Is Port Commissioner

R. Adm. Hartman, retired, Armstrong pointed out, represents San Diego as a commissioner of the Unified Port District. (Hartman was appointed a port district commissioner in May by the San Diego City Council to replace F. F. Coggan as one of three San Diego representatives). "Hartman is also executive vice president of San Diegians, Inc., which I suppose is a booster club for San Diego," quipped Armstrong,

who heads the Men's Club incorporation committee.

'Prediction Comes True'

"My prediction has come true," he said. Armstrong was referring to his earlier warnings that if a fifth member representing city interests was appointed to

Assemblyman Richard Donovan (L.G. District) will speak at the Friday noon meeting of the Lemon Grove Men's Club about the upcoming session of the legislature. The club meets at Michael's cafe and is open to all men of the area.

the new agency, the agency would become lop-sided and might block cityhood moves and encourage annexations.

"If we (Lemon Grove and Spring Valley) are annexed to San Diego, we will pay our part of the bonded indebtedness for the San Diego Port District and the City of San Diego, in addition to regular taxes in San Diego, which are the highest in the county," Armstrong said. The 1962-63 tax rate in the City of San Diego was \$1.85, includ-

\$300,000 Sales Tax Income Seen For Lemon Grove

The L.G. Chamber of Commerce entered into a spirited debate on incorporation Tuesday and the only dissension was how best to bring it to a vote.

Frank Armstrong, local attorney and proponent of incorporation together with Ray Brehm, realtor, presented a map of the proposed city and discussed income and advantages of a sixth class city.

Income from sales tax will amount to \$300,000 a year to the city based on retail sales here of \$30 million, Armstrong said. He showed a report by the L.A. Bureau of Municipal Research showing sales tax income in 1958 to be \$265,000 for the Lemon Grove area. "It would be more now," he declared.

Armstrong said that the appointment of R. Adm. C. C. Hartman, USN, ret. to the Local Annexation Committee could be considered an extra vote for the City of San Diego. Hartman is a member of the S.D. Port Authority and would probably reflect the thinking of S.D. City officials, Armstrong said.

Another community sales promotion will be mounted prior to the holidays, it was announced by Don Johns, president of the Chamber's Merchant's Division. He said a chairman would be named this week and a meeting would be called soon thereafter.

Dawson Motors was voted in as a new member, Tuesday.

\$60,000 in Work To Be Done on Water Projects

A bid-opening date of December 4 was set for \$60,000 worth of construction work at Chet Herriott Dam last week by the board of the Helix Irrigation District. In addition to the construction work, about \$44,000 worth of equipment will be installed to make the plant functional.

The board approved a bid of \$33,339 for relining several pipelines in the Lemon Grove, La Mesa and Helix areas.

A \$3 million Harritt Dam filtration project got under way in mid-October.

The Board received a refund of \$23,000 from the engineering firm that designed the filtration plant. The James M. Montgomery Co., which did the work agreed that the firm had been overpaid.

The variance came from estimating the cost of the project. Fees were to have been based on construction costs with a maximum of \$133,000 to be paid. The refund was based on a partial payment.

Hartman Asks One Year Term

SAN DIEGO (CNS) — Ocean-side Mayor Erwin Sklar was elected chairman of the New Agency Formation-Local Annexation Commission here Monday as the controversial new super-agency met to organize.

Supervisor David W. Bird was elected vice-chairman.

The group officially appointed Adm. C. C. Hartman, USN ret., as the fifth member of the commission and he was seated.

Helen Kleckner, clerk to the Board of Supervisors, also administered the oath to La Mesa Mayor Ray Fellows, Supervisor Robert C. Cozens, and to Chula Vista Councilman Pete

DeGraaf, an alternate member who will replace either Sklar or Fellows when a proposal before the commission involves their cities.

Rules and regulations, which the commission will set for itself will probably not be set until the commissioners have a chance to thoroughly digest proposals made by their new executive officer.

Robert Small, senior administrative analyst for the county, was named as the commission's officer to coordinate the workload.

Almost Unlimited Power

Bertram McLees, county counsel to the group, advised them that the commission is "a new kind of creature" that has virtually unlimited power to draw its own rules and set its own standards for judging future annexations and incorporations.

McLees said that the intent of the state legislature had been to control competition between cities over the same territory and the formation of small units of government when a larger one could do a better job.

Bird defined it as proof "that the cities and counties can sit down and solve their problems between themselves."

Fellows urged that immediate direction be given the cities and districts of the county as to what information would be necessary for them to present to the new commission.

The commission has the power to change the shape of any annexation or incorporation or to approve or deny such proposals before they are considered by the governmental agency having final jurisdiction.

One Year Term Granted

In the drawing to decide length of terms on the commission, Hartman was granted his wish to serve for one year and the rest drew lots to decide who would serve what terms. Sklar drew a four-year term, Cozens and Fellows drew three

TWO WINNERS — Two Lemon Grove men made marks in the auto racing profession during the past week. Left, Ervin "Maj" Major, operator of Broadway Auto Supply on Broadway in L.G. took first place San Diego Racing Association Trophy. Speed Is the Hobby of Veterans Two L.G. Business Men Schedule Banquet

Two middle-aged Lemon Grove business men have copped top honors in an exhilarating, but dangerous hobby — that of auto racing.

Robert Browne, who operates Browne's Refrigeration in Lemon Grove, was awarded first-place trophy Saturday night at the El Toro race track as the highest scorer in micro midgets in the Los Angeles - San Diego area.

"Brownie", a 49-year-old grandfather is fifth in the nation among the association's 700 competitors. He is also vice president of the national organization.

Micro midgets are raced on 1/10 and 1/8 mile tracks of asphalt or dirt at speeds of approximately 80 miles an hour. Races are held over the entire nation. A track is being built in Lakeside, the first one in East County.

The Micro Midget Association is the third largest racing association in the United States. Members design their own cars. Horsepower is restricted to 20 to 45 and wheel base limit is 60 inches; tread 44 inches. Micro midgets are valued at \$2,000 to \$3,000.

Browne will receive his national fifth-place trophy Saturday at Lemoore, California at a race there.

Ervin "Maj" Major, a 45-year-old auto supply house operator in Lemon Grove has just completed his 10th year of racing. Based on cumulative points for the year 1963, Maj became San Diego Racing Association champion for the entire county. His trophy was awarded to him Saturday at the Association's annual banquet at the Elks Club in El Cajon. These drivers race sprint cars with a roll bar cage which, like micro midgets, are designed, built and raced by their owners. These cars, called modified sportsmen, hit a speed of 100 miles an hour on a 1/4-3/8 or 1/2 mile track.

From 300 to 400 veterans of the Valley-Grove area will gather November 11 for their Second Annual Veterans' Day Banquet.

VFW Post 6474 of Spring Valley, Lemon Grove VFW Post 2082, the American Legion Post of La Mesa and the Footfalls Barracks of WW I Veterans are sponsoring the banquet under the chairmanship of the Rev. A. Hughes, California department chaplain, VFW.

It will begin at 6:30 p.m. in the American Legion Hall, 8118 University ave., and is open to the public. Donations are \$1.50 and a dance will follow dinner, Hughes said.

State Assemblyman James R. Mills, a member of the East San Diego VFW, and W. E. Berry, chairman of the committee for the Veterans' Administration hospital in San Diego, will be guest speakers.

H. Rainwater, past Department Commander of California, VFW, and National Area Officer for Area 9, National Convention, VFW, will be master of ceremonies.

Marvin Rathje will sing "The Star Spangled Banner" and "God Bless America." Mrs. Ruby Macklin will sing "Room at the Cross." The program also will include dedication of the colors by Spring Valley Post 6474.

Bids Advertised For New Campus

Advertising bids for the construction of the \$7,500,000 Grossmont College campus in Fletcher Hills has begun.

President John S. Hansen said the first advertisement was placed November 1st. Bids will be opened November 26, and the contract probably will be awarded the following day.

Cityhood May Cost No More Than Being Unincorporated

Lemon Grove and Spring Valley bids for making each community a city are in the intermediate stage. This is the stage when petitions are being circulated so that the Board of Supervisors will call an election if the petitions are sufficient.

That brings up two points: 1. Successful petitioning does nothing more than to call an election so that residents may decide at the polls whether a city is wanted, and 2. Obstacles should not be placed in the way of petitioners by those who oppose incorporation. Democratic processes provide that people be allowed to arrive at their own decisions.

Should there be opponents, they should start their opposition after an election is called, not during petition time.

The difference between county areas and cities was spelled out a few weeks ago by a group called "California Tomorrow, a non-profit education institution dedicated to achieving greater public awareness to problems (faced) in maintaining a beautiful and productive California." In a booklet, "The Phantom Cities of California" there is listed a condition described as the "First Phantom: The Unincorporated City." The state's population boomed from 9 to 18 million after the War, it relates. Many people who came then gravitated to areas outside cities because of lower land costs, and easy financing, and country atmosphere. As "unincorporated cities grew, and inevitable result became the hydra-headed government of special districts piled up like an uneven stack of pancakes," it avers. The tax rate is usually high and the citizen is failing to receive the benefits of true municipal government, the study adds.

It charges that voters do not control special districts because they have neither the time nor the knowledge to do so efficiently. Citizens would have to be the best informed persons in the state to be able to cope with his fire, hospital, water, sewerage, lighting, school and other districts.

"The governing boards of the various districts have little interest in the overall scheme of development within the neighborhood. Why should they? It's not their responsibility," the study states.

"True municipal government could be gained in some instances with little, IF ANY, added expenditures," it points out. All of which means, simply, that you may have your

K. Dowling To Open Jehovah's Witnesses Meet

Local congregations of Jehovah's Witnesses, who comprised part of the more than 118,000 attending the final sessions of the last in a series of Around-the-World Assemblies at the Rose Bowl in Pasadena, are preparing to attend their semi-annual circuit assembly November 15-17 at the Bing Crosby Hall, Del Mar Fairgrounds.

The theme of the assembly, "Feed My Little Sheep," will stress the importance of active participation by a Christian as contrasted with the role of an occasional spectator.

Active participation on the part of many ministers in an important prerequisite to the success of these assemblies. One local participant will be Kenneth Dowling of the Lemon Grove - Spring Valley congregation, who will open the assembly session Friday evening.

High point of the assembly will be the public discourse "The Bible Triumphs in a Scientific World," which will be delivered at 3:00 P.M. Sunday by John P. Sutherland, district supervisor for some 12,000 Jehovah's Witnesses in the western United States.

Evangelist Crusade Concludes This Week

The First Baptist Church of Lemon Grove is conducting an evangelistic crusade this week through Sunday evening at 7:30 p.m.

The Rev. James H. Hammett, pastor of the Emanuel Southern Baptist Church, Palmdale, is guest evangelist. He has conducted evangelistic crusades in this area previously.

The revival music program is led by Rick Fusco, director of music at the First Baptist Church of Del Cerro, La Mesa.

The Rev. W. A. Shoopman, church pastor, invites the public to attend the final services of the crusade. The church is located at 2880 Main st. Sunday services will be conducted at 10:45 a.m. and 7:15 p.m.

Perils of Board Meetings

Satire To Entertain Hospital Auxiliary

Grossmont Hospital Women's Auxiliary will hold a general meeting November 8 at 9:30 a.m. at the San Carlos Club.

The social period will begin at 9:30 a.m. and coffee and rolls will be served on the patio. Following this will be a business meeting, presided over by Mrs. Elmer J. Drew, auxiliary president.

A play entitled "Hootenanny Board Meeting" will be presented for the amusement and pleasure of those attending.

The play, a satire on the "perils" of attending a board meeting, has been especially written for this occasion by Mrs. Ernest Kling and Mrs. Sig Samuels with original songs composed by Mrs. Harvey W. Gillespie.

Mrs. Ernest Kling is hospital auxiliary chairman of the Auxiliary and Mrs. Sig Samuels is co-chairman. Mrs. Howard C. Linke, La Mesa area, and Mrs. Harvey W. Gillespie, Fletcher Hills area, are co-hostesses for this November meeting.

The lead parts of the play are to be enacted by Mrs. Linke, who will take the part of the president, and Mrs. Gillespie, who will portray the secretary.

At this writing, a few others in the cast will include Mrs. Ralph M. King, Mrs. Geoffrey Edwards and Mrs. James Ed Hurley.

Baptists Set Crusade

Casa de Oro Baptist Church will launch a series of evangelistic meetings nightly at 7 p.m. from November 10 to 17.

The Rev. Ivan Lee Sisk, international evangelist who has participated in over 300 crusades, will be the guest preacher.

An evangelistic service also will be conducted Sunday at 11 a.m. Lyle Richardson, soloist and song leader, also will participate in the local crusade at Casa de Oro Baptist Church.

Demonstration Mass Open to Non-Catholics

A demonstration mass will be conducted Nov. 11, at 7:30 p.m. in the parish hall of St. John of the Cross Church.

The demonstration will include a complete explanation of the vestments, sacred vessels and a commentary in English on the mass as it progresses.

Non-Catholics are cordially invited to this lecture, the 18th in a series of lectures designed to make the teachings of the church available throughout the area.

During his pastorate at the Spring Valley church, Rev. Taylor said a 6,000 square foot Sunday school building was constructed on a quarter of an acre the church acquired; the church membership doubled; the real portion of the church building recently was remodeled into a social room and kitchen; and the size of the sanctuary was doubled.

Floyd Bonch, a local artist and member of the S.V. First Baptist Church, last week donated a Baptistry (a river scene painting), which now hangs over the altar.

Rev. Taylor's wife, Gayle, this year received her degree as teacher's credential from San Diego State College. She was graduated with honors.

The Taylors have three children, Stevie, 5, Jimmie, 4, and Dawn, 2½.

The Rev. Taylor came to the Spring Valley First Baptist Church after three years' pastorate at the First Baptist Church of Brawley.

He was graduated from the California Baptist Church with a B.A. degree and earned his Master of Arts at the California Baptist Seminary in 1954. Both degrees were received Magna Cum Laude. He was ordained to the Gospel Ministry in 1954.

He is survived by his wife Rosie, his son, the Rev. William Allee of Tyler, Texas; 2 brothers, a sister and four grandchildren.

Services were held at Conrad's L.G. Mortuary followed by interment in Mt. Hope Cemetery.

Rummage Sale Set For Hi-Steppers

Helix Hi-Steppers Parents' Group will sponsor a rummage sale November 15 and November 16 from 9 a.m. to 9 p.m. at 6463 University ave., according to Mrs. L. E. Morgan chairman.

Household items are especially in demand, but anything and everything will be appreciated, she said. Anyone who wishes to donate to the sale should contact Mrs. Morgan at 466-5237, or Mrs. Peter Zaccchino, 469-9877, no later than November 12.

The Helix Hi-Steppers consists of 60 members of the Flag and Hand Specialty Corps of Helix high school, and participates with the school band in parades and school functions. Proceeds from the rummage sale will go toward financing the corps' bus fare to Huntington Beach on December 6, at which time they will compete with other schools from all over the state.

Back To School Set Tonite for Matador Parents

In observance of American Education Week, Mount Miguel high school will welcome parents at its annual Back to School Night this evening, November 7.

Mrs. Donald Beebe, Mount Miguel PTA president, will conduct a short business meeting at 7 p.m. in the cafeteria. Melvin Grant, principal, will explain the program procedure for the evening.

At 7:30 p.m. parents will have the opportunity to follow his child's class schedule, to meet teachers, and to hear what class offerings are.

Everyone interested in education is urged to attend. Coffee will be served throughout the evening.

Problems of Living Talk Is PTA Event

Mrs. Helen Murphy, wife of Dr. John M. Murphy, psychiatrist, will present a talk on "The Problems of Living" at the Golden Avenue PTA meeting Nov. 14 in the school cafeteria.

Mrs. Murphy took nurses' training at St. Elizabeth's Hospital, Danville, Ill. and studied psychiatry at the University of Illinois. She was a Navy nurse during World War II and was head psychiatrist nurse at Camp Pendleton for over two years.

She wrote a daily column for a N.E. Illinois paper for over 10 years and was medical director at the Danville, Ill. Hospital. At present she assists her husband in his office.

Color guard for the evening will be Lee Nottingham's Scout Troup 309. Refreshments will be served by mothers of second grade pupils.

Child care for children in second through third grades will be provided.

Newly elected student council officers were President David Flint, Vice President Gail Van Vleck, Secretary Christine Hall and Treasurer Gilbert Prieto. They will be introduced at the meeting.

Obituaries Long-Time Valleyite Succumbs

Word was received here last week that William Sperry, an early settler of Spring Valley, passed away in Del Rey Beach, Florida.

Sperry, who operated a store at Campo and Bancroft in Spring Valley, was the first president of the Spring Valley Chamber of Commerce, and served in that post for nine years.

He was instrumental in acquiring the Bancroft adobe house on Memory lane which now is the Bancroft Ranch House Museum. He later became Spring Valley's postmaster serving until the mid-40's.

In Florida, Sperry operated Airway Breeze's Trailer Court.

Interment was in Mt. Hope Cemetery.

Hi School Trustees Approve Sabbatical Leave Policy

The new policy on sabbatical leaves as recommended by the Grossmont District Teachers Association was approved unanimously by the Governing Board of the Grossmont Union High School District Monday evening.

Approval came subsequent to a presentation by James Bosely, chairman of the Professional Relations Committee, which had developed the sabbatical leave policy after a study of policies in effect in other California school districts.

Sabbatical leaves are designed to stimulate professional growth of the teaching staff in order to benefit the students, the district, and the individual through professional study, research or travel. In order to be eligible for sabbatical leave, seven years of service must have been rendered in the district and the person must agree to serve at least two years in the district after returning from the leave.

Compensation is limited to 50 percent of the normal salary which would have been earned. Cost of the average sabbatical leave to the district is \$2,000 because of the difference in pay of the substitute as compared with the person on leave.

Leaves Limited To 2%

Applications for sabbatical leave must be submitted to the Professional Advancement Committee for screening prior to final action by the Governing Board. The policy limits the number of sabbatical leaves to 2 per cent of the certificated personnel in the district. Leaves may be granted for a period of not less than one full semester

and for not more than one full school year.

"Encouragement of advanced study and professional growth is of great value to the District," said Superintendent Lewis F. Smith in supporting the recommendations of the Committee.

Drop-outs Studied

Curriculum reports on drop-outs, on programs for the educationally handicapped, and on an English clinic were presented by George Glaeser of Mount Miguel high school and Assistant Superintendents J. T. Warburton and Leon Lessinger.

Additional state funds have become available to assist local districts in meeting the challenge of students with learning handicaps.

A follow-up study of the class of 1961, conducted by Gordon Shields, counselor at Grossmont high school, was reported to the board. It indicated slightly above average achievement of these students at San Diego State College and at Grossmont College.

Distressing, however, was the number of students who dropped out, indicating inability to carry college work successfully, inadequate counseling, or unrealistic choice of goals.

The report concluded that additional attention should be given to the high school program and to selection procedures which would reduce this attrition rate.

Salary Goals Posted

A statement of goals from the Grossmont Chapter of the American Federation of Teachers was presented to the board with brief comments by the president, Stuart Rubine.

Included in the list of goals was a salary schedule ranging from \$6,000 to \$12,000 on a ten

step basis as compared with the present schedule of \$5,150 to \$10,150 on a 14 step basis. The Board declined to take action on the proposals at this time.

The part of Miss Frank is played by Cathie Campbell; that of Mr. Koualskey by Dennis Anderson; and that of the painter by Mike Spry.

GIRL SCOUT CHATTER

By Mary D. Giacinto

The Girl scouts of the Lemon Grove neighborhood would like those interested in scouting to come to their 'spaghetti potluck' dinner at the Lemon Grove Junior High auditorium November 13th beginning at 6:30 p.m.

The spaghetti, which will be 'home-made' by Girl Scout mothers, promises to be varied as well as delectable. Of course, there will be salad, rolls and goodies. At only 10 cents a dip, the cook in your family can

afford a night away from the kitchen. Take the family. Relax. There will even be free entertainment.

Anne Marie Dewey, Liz Gorham and Bernice Young have charge of making this affair a pleasant one for you.

A bizarre booth featuring the girls' craft of Christmas wrap and items suitable for Christmas gifts will be offered. Overseeing the gala booths will be Barbara Clark and Etta Pollard. See you there?

Goodwill Pickup To Be Made Here Saturday

An army of 6,000 Scouts will engage in the ninth annual Good Turn for Goodwill drive Saturday, starting at 9 a.m., it was announced by Dr. Rex Gorton, chairman of the steering committee in charge of the countywide event.

The scouts will pick up the 200,000 Goodwill bags, which they distributed house to house, county-wide, last Saturday.

Householders are asked by Dr. Gorton to fill their bag with repairable discarded household items and have the bag ready when the Scout arrives at their homes.

The Scouts will then take the bags to pick-up stations, where Rotarians from the county's 22 Rotary clubs will stack them for the trucks which will be sent

by the local chapter of the California Trucking Association and will be driven by volunteer members of the Teamsters Union.

The trucks will take the bags to a special warehouse where 75 sailors from the Naval training center, and 75 Marines from the Recruit Depot will unload and store them.

Later, the 203 handicapped workers at Goodwill Industries will rehabilitate these goods into useful items which will be offered for sale at marginal prices in the organization's eight stores, located at 402 Fifth Ave.; Chula Vista, San Ysidro, Lemon Grove, El Cajon, East San Diego, Escondido and Oceanside.

Locally, the project is sponsored by the L.G. Rotary Club.

DONOVAN NARCOTICS PROPOSAL TO GET COMMITTEE'S EYE

Assemblyman Richard J. Donovan (R-Chula Vista) announced Tuesday that a three-day legislative hearing on narcotics and dangerous drugs will be held by the Assembly Committee on Criminal Procedure in San Diego, next week.

The Committee, of which Donovan is the only local member, is slated to meet in Room B109 of the new San Diego State Office Building, November 13 through 15, according to Committee Chairman Gordon H. Winton, Jr. (D-Merced).

Donovan disclosed that 10-man Legislative Committee would be inquiring into the treatment and rehabilitation of dangerous drug users, investigating the uses of two controversial drugs, "L.S.D." and Percodan, and considering a law proposed by him which would protect informants in narcotics cases from being identified.

Plans Initiated To Build School And Sell Bonds

(Continued)

Action to speed the development of the high school in Santee and to repay state loans was approved by the Grossmont Union High School District Governing Board Monday evening.

Action came after consideration had been given to investigating the possibility of using a 76-acre site on the south east corner of Camp Elliott which had been offered to the district without charge if used within 18 months.

Protest Heard

A protest was registered with the board by a group of citizens from Santee. Ray Stoyer of the Santee Chamber of Commerce and Hal Rakowski of the Lake-side Chamber of Commerce made presentations which indicated that the Mast/Magnolia site was better situated to serve all of the students of the district, would be less costly to develop, and was more desirable for development at this time.

To Develop Final Plans

The Board voted to authorize the architect, Clyde Hufbauer, to proceed with the development of final plans for the new high school which will be designed initially for 1,500 students. Superintendent Lewis F. Smith also was authorized to explore other possible uses of the Camp Elliott site which might satisfy the Federal Division of Surplus Property Utilization so that the site could be acquired without payment of the appraised value.

Bonds To Be Sold

The Grossmont Governing Board requested the Board of Supervisors to arrange for the sale of the \$4,000 bond issue. Associate Superintendent Harold G. Hughes indicated the sale would be around February 2 and that several investment firms had already indicated an interest in the bonds.

year terms and Bird drew a two year term. The commission meeting will be held every first and third Tuesday at 1:30 p.m., but will have the right to meet every Monday if the workload requires it.

Some cities opposed the new commission as a threat to home rule and an unnecessary infringement upon their own prerogatives. Escondido and Chula Vista passed resolutions asking that legislation be sought to disband the new group.

Proponents of the incorporation of the communities of Lemon Grove and Spring Valley filed notices of intention to circulate petitions of incorporation so they would not fall under the new commission's jurisdiction.

Proposals To Be Reviewed

Small indicated, however, that all recent proposals handled by the Boundary Commission would be reviewed to make sure they do not fall within the new agency's power.

Student Honored At UC Reception

Paul G. Bardacke, son of Mr. & Mrs. Theodore Bardacke, 3747 Citrus st., L.G., and an undergraduate at the University of California at Santa Barbara, was among the honorees at the recent honors-at-entrance reception and lecture held in UCSE's Campbell Hall.

Dr. Donald W. MacKinnon, professor of psychology and director of the Institute of Personality Assessment and Research on the university's Berkeley campus, spoke on "Personality Correlates of Creativity."

The honors-at-entrance event annually fetes UCSB students who hold distinguished academic records from their high schools and junior colleges, and honors scholarship awardees as well.

Five-Legged Corner Soon To Be Removed

San Diego (CNS) — Work is expected to begin soon on the blind corner at Canton and Glen-coe, Monterey Heights, in Lemon Grove.

Supervisor David W. Bird said that the \$3,140 project to eliminate a five-legged intersection would also provide a school crossing and safety island.

The traffic flow on Canton drive is nearly 5,000 cars per day, he noted.

Editorial Comment

San Diego as a Whole? Hartman Could Decide

With the official appointment of Rear Admiral C. C. Hartman, retired, this week to the Agency Formation-Local Annexation Commission, we wonder how unincorporated areas like Lemon Grove and Spring Valley are going to be affected.

The new agency has the power to approve or disapprove, with or without amendment, proposals for the incorporation of cities or annexations by cities.

Five men comprise the commission: two representing the county, and two representing the cities of the county. The fifth member, Hartman, is supposed to represent the public-at-large.

Robert Cozens and David Bird, both members of the County Board of Supervisors, earlier were appointed to represent the county. Oceanide Mayor Erwin Sklar and La Mesa Mayor Ray Fellows were elected to represent the cities.

The fifth man then could swing the decision of the commission in a direction favoring either the cities or the unincorporated areas.

Hartman, who is executive manager of San Diegos, Inc., and is a commissioner appointed by the City of San Diego on the San Diego unified Port District, says "I will act in the best interests of the community as a whole."

We wonder whether we shall become a "whole".

Local Family Hosts Amigo

Mr. and Mrs. Ernest Martelli and daughter, Sandra, are entertaining Luisa Godoba, 16, of Costa Rica this week as a part of the Operation Amigo plan.

The Martellis who live at 4275 Avenida Gregory in Spring Valley, are one of 30 families chosen from 87 applicants to have one of the students as a guest.

The Martellis had to fill out forms stating their hobbies, how many children were in the family, and other detailed questions before the forms were turned into Grossmont high school, which is co-sponsoring operation Amigo with the San Diego Union. Thirty names were chosen from the 87 applications.

Luisa, who is from Santo Domingo, speaks little English but Sandra Martelli, a junior at Grossmont high school, is studying her third year of Spanish. The girls attend classes together when Luisa isn't involved in some other phase of the operation.

The 25 Costa Rican students fell into the American way of life very easily. In Costa Rica, they lived much the same as we live here. They eat the same type of food, and wear the same clothes. Luisa even brought a stick of Breck cologne with her," said Mrs. Martelli. "All the way from Springfield, Massachusetts," Mrs. Martelli remarked.

However, Sandra said, "You had better read the package!" "The label is in Spanish." The American company has a factory in Costa Rica.

"They are quiet and reserved, like a very well brought up youngster is here," Mrs. Martelli said. She went on to explain that parents are very strict, especially on girls.

The students will return home Tuesday. Grossmont high school is now in the process of trying to arrange return visits by American students.

Could Fall Under Agency

If Lemon Grove and Spring Valley fail to incorporate this time, Armstrong said, they will fall under the jurisdiction of the new Agency Formation-Local Annexation Commission, which has the authority to kill, for one year, all proposals for incorporation or annexation its members find unfavorable. "We would also face the threat of annexation to an adjoining city," Armstrong concluded.

The new agency is comprised of Robert C. Cozens and David Bird, county supervisors representing unincorporated areas; Oceanide Mayor Erwin Sklar and La Mesa Mayor Ray Fellows, representing the cities of the county; and R. Adm. C. C. Hartman.

Armstrong Tells Of Incorporation

(Continued)

could be contracted from the county for the first year or two until the City of Lemon Grove's planners and council members determine whether it is best to continue contracting services or perform them themselves, he said.

City council members would be unpaid and meet at night. They would be chosen in the election on incorporation. Petitions for the election are presently being circulated in Lemon Grove and Spring Valley for elections. Council members, in turn, would elect a mayor, according to Armstrong.

Petitions Being Circulated

So far, 28 petitions are being circulated in Lemon Grove under the chairmanship of Esther Alexander, and two petitions have been filled. When 25 per cent of the residents owning real property in the proposed incorporation have signed the petitions, an election will be set up by the County Board of Supervisors following a public hearing.

Lemon Grove and Spring Valley will not come under the jurisdiction of the Agency Formation-Local Annexation Commission in this election, because incorporation attempts here officially began before the agency went into effect September 20.

Voters Still Able To Think

When the voters of San Diego sensibly elected Councilman Frank Curran as mayor Tuesday, they did much to restore our faith in the American election system.

Murray Goodrich, an intelligent and capable business man, was soundly defeated as we opined he would be, but the tremendous amounts of money that were spent by his supporters made it appear for a while that he would be the victor.

When it was revealed, sometime after the primary election, that Goodrich had "mistakenly" listed his birth place as New York instead of Russia on his registration form, it became more desirable that Curran should be elected.

Curran's victory is an answer to those of us who feared that money alone wins elections. Were that so, we should place a price tag on various political chairs and let each go to the person who wants to pay the price. We hope the day will never come when a politician can openly buy his way into office. It may be done privately but the voter is revolted if the knowledge becomes public before an election. Likewise are they revolted when "mistakes" in personal, factual information are given. It is acceptable to mislead voters by promising to cut taxes, improve services, or change certain conditions as part of a political campaign, but let a politician say he's 45 years old when he's actually 54, or pretend he has no financial interest in a project when actually he has, or claim he is from San Diego when actually he is from Los Angeles, and the voter rebels.

In any event, Mayor Curran is it and we have known him for a mighty long time. He is a sterling personality who was outstanding among all the candidates who wanted to attain that office.

He will serve San Diego City well.
Hurray for Mayor Frank Curran.

U.N. Week Scrutinized

Dear Editor:

Since there seems to be a need for a United Nations Week, we should take a look at the record and see if we can be proud to surrender our future and our fate to an organization where we are only a minority and where the other much greater per cent do not share our concepts of liberties based upon moral laws.

Have we ever been told the full truth about the U.N. activities in the Congo? What did the United Nations do to check aggression and oppression in Hungary? The United Nations has passed no resolutions of condemnation against the so-called neutral countries or against Russia or any of the satellites but busies itself with resolutions of condemnation against our allies such as Portugal, Holland and France. Do we really need to be proud to celebrate United Nations week?

Home Vandalized

The home of Robert Norwood Gregg, 525 Thayer dr., Spring Valley, was disarranged and marked with eggs last Saturday.

Suspects entered Gregg's home through a window, threw two eggs against a bedroom wall, burned a napkin on the kitchen drain board, threw papers and crayons on the floors, piled papers on the beds, and lit a candle in the barbecue.

They also left five empty boxes of candy and cigarettes on the barbecue. Nothing was reported missing.

Oxygen Tank Stolen

Frank S. Riley of 8233 Dorchester, Spring Valley, last Friday reported the theft of metal oxygen tank containing a 275 cubic foot tank of oxygen and a 20 gallon propane tank. The cart and tanks, valued at \$165, were stolen from Otay Auto Wreckers, 4990 Otay Valley rd., Otay.

Amusement Games Attacked

Five amusement machines at Lemon Grove Miniature Golf Course were attacked last week and their coin boxes robbed of their contents. An unknown tool, possibly a screwdriver, was used to open the cash boxes.

Purse Lost; Three Cents Gone

Mrs. Fally Morrill of 8311 Broadway in La Mesa, reported to the Sheriff's office the loss of her wallet, which was in her purse, at 9472 Blossom in last week on Tuesday. The wallet contained her driver's license, a credit card and three cents.

Caught with Coat

A juvenile boy walked into A & S Liquidators last week on Wednesday and walked out with a blue, all-weather jacket over his arm.

However, a Sheriff's deputy who was off-duty saw the boy come out of the store trying to hide the plastic coat hanger in the coat. When the boy was advised to stop, he ran away and was shortly after apprehended by the deputy.

Windshield Broken

Robert L. Lebuska of 4367 Vista Way, La Mesa, said he was driving along Highway 94 between Campo rd. and Grove st. in Spring Valley when a hard, water filled object broke his windshield.

Lebuska said he saw three juvenile boys running but was unable to stop because traffic was too heavy.

Drinking and Damaging

Unknown suspects who drank three six-packs of beer were at work last Friday at Chauffeur's Car Club, 976 Gillespie, Spring Valley.

The vandals broke six 10 by 15 windows, broke a carburetor and spark plugs off an unmounted engine, and poured beer on the cam of a 1963 fuel injection engine that was mounted in a car with the head lifted.

Halloween Pranksters?

William Mellos of 2835 Skyline dr., L.G., thought they might have been Halloween pranksters. Whoever they were, they played a nasty trick. They broke the rear window of his car, and then entered the garage and stole the spare tire from his pickup truck.

Another UFO

Another unidentified flying object was reported to the Sheriff's office this week by Mrs. M. Richardson of 4034 Vivian, San Diego.

She was driving in the 7200 block of Waite dr., Lemon Grove, when a water filled object shattered her windshield and lashed the front of her car. She saw two juvenile boys running from the scene and identified one of them.

Dirt Smashes Window

As James R. Paige, 8003 Darryl st., L.G., was approaching the intersection at Ensenada and Noble st., a dirt clod broke the rear window of his car.

Paige had noticed a group of juveniles standing in front of a house just before he reached the intersection. They denied they threw the dirt clod and didn't know who did.

Ron 'Robin' Snipes Sharpens Eye for Safari Archery Meet

A 15-year-old sophomore at Mount Miguel high school has big hopes that he may someday win the National and World Archery Championships.

The young archer, Ron Snipes, has already accumulated over 15 trophies including a first in the San Diego Archers King Arthur's Day tourney held earlier this year in which he completed with an 80-yard perfect score. Moreover, he has won the California State championship for boys of his age group, the Yuma Bowman's Sixth Roundup for junior boys, and numerous firsts in local competition.

Ron, the son of Mr. and Mrs. Clarence Snipes of 9118 Barneveld, Spring Valley, said, "I became interested in archery when I was 3-years-old. I used to watch my father." His whole family, which includes four boys, and parents are archery enthusiasts.

Ron, a field captain in the San Diego Field Club and a

member of the National Archery Association, presently is working for the Safari meet in February at Dunlay, California. Contestants shoot at cardboard

animals, and is the biggest meet of the year, according to Ron. He won third place last spring and hopes to come back with first place.

ARCHER SCORING AGAIN — Linda Walker, press bureau chief at Mount Miguel high school, admires one of the medals won by Ron Snipes, a 15-year-old Robin Hood from Spring Valley who won the California State championship in his division, and recently won a first place in the San Diego Archers King Arthur's Day tourney.

B of A To Shell Out \$65,000 for Christmas Funds

A \$65,000.00 pre-Christmas present from Lemon Grove - Spring Valley area residents to themselves will help spur what may be the greatest Yuletide shopping spree in the area's history, it was reported today by the managers of Bank of America's local branches.

That's the amount Bank of America will distribute from Christmas Club savings accounts to local residents in time for the holiday shopping season. Christmas Club checks will be mailed beginning on November 15.

The local savings are part of a \$77 million Yule backlog — enough to buy a \$4.50 gift for every man, woman and child in the state — which more than half a million thrifty Californians have accumulated in Bank of America branches throughout the state since last Christmas.

Checks in the statewide distribution will average \$152.38, an increase of \$2.08 over last year. The \$77 million sets a new record for the program begun 40 years ago, surpassing last year's all-time high by nearly \$2 million.

In northern California, 246,166 persons tucked away \$36,821,520 in the holiday accounts with the bank, while southern Californians accumulated \$39,353,192 in 258,272 accounts.

Most of the Christmas Club savings will wind up under the Christmas tree on December 25, although some depositors will use the accumulated funds to pay such other year-end expenses as taxes and insurance premiums, or for winter vacations.

English Clinics Start in Seven High Schools

Efforts to aid the English program in the seven high schools of the Grossmont Union High School District have increased this semester with the opening of English clinics for students who have ability to learn but lack background or training in some aspects of English.

The program gives to students individual attention not always possible in a regular English classroom where the program must move ahead on schedule and where, because of numbers, the teachers cannot stop to give individual help during classroom sessions.

Such a program takes getting used to by teachers, students, and parents. Much time this fall has been given to setting up this system and to publicizing information about the clinics.

A student is referred to the clinic which he attends during a period assigned to study hall, before or after school, or during lunch. He remains only until he has mastered whatever problem with which he has been working. He has missed no class time, and neither have his classmates while the teacher has stopped to help him.

Tutors are English teachers or aids, and they deal with such problems as spelling, handwriting and sentence structure. Often, a student has a combination of problems and tutoring on one leads to solving another.

At Helix high, Monte Vista and Granite Hills teachers from the English staff man or will man clinics. At Grossmont, Mt. Miguel, El Capitan and El Cajon Valley high, teacher aids are employed. Student referrals so far number from a few to 35, depending on how long each clinic has been operating.

MOBILE HOME DEVELOPMENT GAINS SUPERVISORS HEARING

SAN DIEGO (CNS) — A hearing before the County Board of Supervisors on a controversial mobile home park development on the edge of Sweetwater Lake,

south of Spring Valley was approved but a date was not set. The proposal of Soman Associates is so controversial that the County Planning Commission passed the matter along to the Supervisors without any recommendation.

Bert McLees, Jr., county counsel, advised the supervisors that the legal effect of this "no decision" action was to deny the proposal.

A conflict between the developer and the former owner of the land over sewer connections had been the first obstacle, but the commission had indicated its intention to approve rezoning if this problem and a road pattern could be worked out.

This position was reversed at a subsequent hearing after some neighboring property owners voiced objections to the proposal.

DONNA JURY TOURS HOLLYWOOD

Local Coed Tours Hollywood, Meets Famed Film Stars

A Spring Valley girl and senior at Monte Vista high school was the guest of MGM studio last Friday — her Hollywood itinerary consisted of lunch and tour with George Hamilton, and salutations with Elvis Presley, Debbie Reynolds, James Garner, Lucille Ball and Connie Francis.

To say the least, Donna Jury, 17, was thrilled to be one of three Teenage Queens for a Day. She was chosen by Radio Station KDEO to go to Hollywood with another girl from San Bernardino and one from Bakersfield as the guests of MGM.

Donna, the daughter of Mr. and Mrs. Ralph Jury, 10036 Diverson dr., flew to the movie capital with Joe Cahill, general manager of KDEO, and dined and toured Hollywood with actor and singer George Hamilton. The three queens visited sets including "The Unsinkable Molly Brown," which will star Debbie Reynolds. Donna said she met stars and other film personalities during their lunch hours and breaks.

A member of the Monarch fan corps, Donna plans to attend San Diego State College after graduation.

Lindsay Named Honorary Scout

The first honorary neighborhood Scout commissioner for the Lemon Grove area has been approved by the San Diego County Council, Boy Scouts of America.

He is William Lindsay, who was a Boy Scout in Lemon Grove over 45 years ago and recently retired after 35 years of service as a professional leader in the Boy Scouts of America.

Lindsay, who spent his boyhood in Lemon Grove and married the former Viola Silvius, also of Lemon Grove, was recommended as a honorary neighborhood commissioner by the Grossmont District Commissioner's Staff and the Lemon Grove commissioner's headed by Ted La Rose of 8276 Golden, Lemon Grove, assistant district commissioner.

Lindsay recently was an instructor for the San Diego County Boy Scout Council's commissioner's training course. He now lives in El Sereno in Los Angeles.

Lindsay retired in 1962 as deputy Scout executive of the Los Angeles Area Boy Scout Council. He also served as a professional leader in the Petaluma and Oakland areas.

His son, Andy, is a member of the professional staff of the San Diego County Boy Scout Council.

Massing of the Colors Set for Veterans' Day

The Military Order of the World Wars has invited over 500 organizations to participate in its ninth annual Veterans' Day observance to be held in Balboa Park as a tribute to the nation's war dead, Captain Lawrence B. Cook, USN retired, chairman, announced.

The public is invited to the observance by the La Jolla Chapter, Military Order of the World Wars. It is expected to be one of the largest and most impressive in the history of this traditional ceremony. Color guards representing military, fraternal, civic, religious and veteran groups will march in the procession of colors.

The program will begin at 2:30 p.m. with a concert by the Marine Corps Recruit Depot Band. Usherettes will be ten women Marines, four waves from naval training center, four

waves from naval station and four waves from naval hospital Balboa Park.

The procession of flags into the organ pavilion will commence at 3 p.m. Each of the color guards will carry the national colors and an organizational banner. These color guards will be massed on either side of the pavilion stage. The naval training center flags of the fifty states will be borne by naval recruits from the center.

BUCKLES 'RESTING WELL' AT GROSSMONT

Charles "Chuck" Buckles, operator of the Lemon Grove Dairy Queen, is in Grossmont hospital this week for a "heart condition".

Hospital authorities said he was "resting well" after being brought in Tuesday morning.

Buckles is well-known by the hundreds of young-fry who frequent his ice cream shop.

Recently he headed up a retail promotion for the Merchants Division of the L.G. Chamber of Commerce.

TOW-HEADED Bobby Buntrock, who is "Harold Baxter" in NBC-TV's "Hazel" series, and Harold's dog, will be featured in the 17th annual Mother Goose Parade Nov. 24. Dr. Don Erickson, celebrity chairman, has announced. Buntrock, 11, is the third child star to appear in the Mother Goose event the past three years. John Provost ("Timmie" of the Lassie show) was in the 1961 parade, and last year Ronny Howard ("Opie" of the Andy Griffith show) was here. Bobby already has seven years of TV experience, debuting when only four in the "Wagon Train" series.

Memorial Gifts Made to County Heart Assn.

Continued research into disease of the heart and blood vessels has been made possible through 288 gifts in October to the memorial program of the San Diego County Heart Association, Dr. Paul H. Morton, president, announced today.

The gifts to the Memorial Fund totaled \$2,081.85 and 107 county residents and 33 out-of-county residents were honored.

"All such gifts are promptly and appropriately acknowledged to the family with no mention of the amount of the gift. This may be as small or as large as the donor wishes and a receipt is always mailed to the donor," Dr. Morton added. Tributes were made in honor of Mrs. Ruth Dawson, 2317 Di Foss, Lemon Grove; Ralph Jack, Campo hwy., Spring Valley; Amelia Vliet, 3823 Calavo dr., S.V.; and Ralph G. Waldren, 8704 Orville, S.V.

Queen for a Day Trip Deferred

Postponement of "Lemon Grove Queen for a Day" was announced this week by the L.G. Chamber of Commerce, sponsors of the show.

The Hollywood Show, originally scheduled for November 20 by the Lemon Grove Travel Bureau, will be held "sometime in March."

Travel Bureau Operator Jesse Lee said that the demand for tickets was not great enough to warrant bringing 15 buses to Lemon Grove to make the trip. Tickets already purchased will be honored at the new show Chamber President Sam Perinico said.

Lee is presently on a European tour.

Dr., Wife To Attend Medical Convention

Dr. and Mrs. Herman S. Rauch of Spring Valley will attend the 59th annual Convention of the Forty First Medical Society to be held November 8-10, in Palm Springs. It will be concurrent with the 24th annual convention of the Woman's Auxiliary to the Forty First Medical Society.

More than 500 delegates, exhibitors and guests will register at the Riviera Hotel for the three day meeting.

Major items of business on the dual agendas will be the installation of 1964 officers.

General Dynamics Gets \$2 Million For Little Joe

SAN DIEGO, Nov. 1 — A contract amendment in the amount of \$2,247,174 was issued today by the NASA Manned Spacecraft Center to General Dynamics/Convair, San Diego, for two more Little Joe II solid-propellant suborbital launch vehicles to be used in the Apollo test program.

Addition of the two vehicles brings procurement costs for Little Joe II boosters to \$3,928,637. This includes nearly \$500,000 for design, development and installation of the two launchers at the White Sands Missile Range, New Mexico.

The two new boosters will be used in a high-altitude abort test (approximately 60,000 feet) to check out capability of the launch escape system to separate the command module from the booster.

With the addition of the two, Convair will build a total of six vehicles for the Apollo test program. The new boosters will differ from the original four in that they will contain attitude control systems and instrumentation to analyze the control system.

NASA has flown one of these solid-fueled Little Joe IIs. On Aug. 28 a booster with a dummy Apollo payload was launched successfully on a ballistic flight.

The next White Sands test will not utilize a Little Joe II, but investigate the dynamics of the Apollo escape system in an off-the-pad firing.

Next test using the all solid-fuel vehicle is designed to check out the launch escape system at medium altitudes where dynamic pressures on the command module are great.

Fulbright Scholarship Winner

COLLEGE TEACHER STUDYING IN AUSTRALIA FOR ONE YEAR

An American teacher and his family have chosen an American-style suburb in Melbourne, capital of the State of Victoria, as their home for 12 months.

The teacher is Walter Yuhl, 32, an instructor in political science and history at Grossmont College.

Yuhl was awarded a Fulbright Scholarship to come to Australia as an exchange teacher. At present he is taking classes at Caulfield high school.

LG Public Finance Manager Named

Keith A. Durbin has been named manager of the Public Finance office in Lemon Grove, according to E. L. McGrath, vice president and executive supervisor of the Western Division of American Investment Company, Public Finance is a subsidiary of American Investment.

Durbin, a native of California, began his career with AIC in January, 1961 at the Broadway office. He has been employed in several offices in the San Diego area. In September, Durbin returned to the Broadway office where he was assistant manager at the time of his promotion.

According to Durbin, the Lemon Grove office is part of a nationwide chain of consumer finance offices. "Last year," he said, "our offices served more than one million families across the nation."

In California the company makes consumer loans in amounts up to \$2,500 to individuals and families. Through its subsidiaries, American Investment operates more than 700 consumer finance offices in 41 states under the state small loan and similar laws.

Helix Open House Set

Helix high school will open its doors to the parents tonight, Thursday.

The annual open house will give parents the opportunity to visit each classroom to meet teachers and acquaint them with the wide variety of subjects being taught at the school.

The Helix high school PTA will hold their first regular meeting before class visitations at 7:15 p.m.; classes will begin at 7:40.

Benton Hart, principal sends his personal invitation to all parents to come and learn about what is happening at the school.

Women To Hear Talk On Basis of Freedoms

Admiral Leslie Gehres will address the Lemon Grove Women's Club November 8 at 1:30 p.m. with a talk on "The Basis of Our Freedoms." The meeting will be held in the club house at 1810 Main st.

Tea hostesses will be Mrs. Walter R. Shrimp, chairman, assisted by Mrs. J. L. Moore, Joe McMurrough and R. V. Welch. All are welcome to enjoy the candle craft and social hour.

SAN MIGUEL PTA TO HEAR NARCOTICS TALK

"Narcotics" will be the topic of speaker George McCane at the San Miguel PTA meeting 7:30 p.m. November 14.

McCane was formerly with the Army Narcotics Research and Development Dept. There will be a question and answer period following the talk. No children under 18 will be permitted. Third and fourth grade mothers will serve as hostesses.

Parents are invited to visit classrooms during American Education Week, Nov. 12-15. Open House during the day offers an opportunity to become acquainted with teacher and school routine.

An Executive Board meeting will be held at 10 a.m. Nov. 26 in the Conference Room.

'A Thousand Clowns' Theta Dinner Nears

Kappa Alpha Theta alumnae will celebrate the second Broadway Theater League production, "A Thousand Clowns," November 18 with a dinner in the Sunset Room of the Town and Country Hotel.

Cast includes John Ireland, Gregg Wier, Nancy Douglas, Donald Barry, Robert Alvin and Sidney Rayder. The play will be presented in the Fox Theater at 8:30 p.m.

Approximately 250 persons attended the before-theater dinner celebration of "Mary, Mary" October 14. Thetas and Theta guests are welcome to attend the dinner, and can make reservations by calling Town and Country Hotel.

hear Melbourne, but expects to visit other schools in Melbourne and parts of Victoria during his stay.

With his wife, Helen, and their two daughters, Kirsten, 3 years old, and Karin, 10 months, he has recently moved into a modern brick house in Mount Waverly, about 12 miles from the city of Melbourne.

Yuhl said the planning and design of the suburb reminded him of housing developments in the U.S.

Since his arrival, Yuhl has been telling students at Caulfield high school about schools in America. Later he hopes to lecture them on U.S. history, as part of their world history courses.

Two things have impressed Yuhl and his wife in their short time in Australia. One is the high standing of the medical profession. "We have met doctors both socially and professionally," he said.

Coggan Expands To Aid County Small Businesses

tionally, and we have found a high degree of competence, graciousness and general awareness," he said.

The second is Australian Rules football. Yuhl was lucky enough to be one of the crowd of more than 100,000 spectators who watched the grand final game at the Melbourne Cricket Ground between Geelong and Hawthorn (two local Melbourne teams), and he felt it was a marvelous spectator sport.

The Geelong team which won the match, and became the 1963 Premiers of the Victorian Football League, recently visited California. They played in an exhibition in the Golden Gate Park, San Francisco.

Yuhl said many of the educational problems in Australia were the same as in America, such as the shortage of teachers and classrooms.

When he returns to the U.S. next year he will speak at many functions about Australia. "Generally, the American thinks of Australia as the land of opportunity," Yuhl said, "but so many of us know so little about this country."

Mr. Jack Clark, headmaster of a school at Heywood, in south-western Victoria, is the teacher who exchanged places with Yuhl. Clark presently is on the Staff at Grossmont Junior College.

PUBLIC NOTICE IS HEREBY GIVEN that the Board of Supervisors adopted a resolution on October 15, 1963, declaring its intention to vacate and abandon the following-described County highway:

Those portions of Road Survey 356 in Tracts C, D and F of RANCHO JAMACHA in the County of San Diego, according to Partition Map thereof filed in the Office of the County Clerk of said County, in Case No. 13, entitled Wm. H. Keighler et al., vs. Mary H. Eddy et al., lying easterly of a 1050-foot radius curve which is concentric with 1000-foot radius curve concave northwesterly in the center line of Road Survey 681, a plat of which is on file in the Office of the County Surveyor of said County, and lying westerly of the southwesterly line of a strip of land 60 feet wide, the center line of said strip of land being described in Easement for said Road Survey 356 recorded March 29, 1962 as Document No. 53377 of Official Records of said County.

The Board has fixed Tuesday November 19, 1963, at 11:00 a.m., and the chamber of said Board, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place for hearing on said resolution of intention to vacate and abandon said highway.

YOU ARE HEREBY NOTIFIED to appear at the time and place fixed for said hearing and show cause, if any you have, why said highway should not be vacated and abandoned.

For further details reference is hereby made to said resolution of intention on file in the office of the Clerk of the Board of Supervisors, Room 306 San Diego City and County Administration Building, Civic Center, San Diego, California.

BY ORDER OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN DIEGO, State of California, adopted October 15, 1963.

HELEN KLECKNER
Clerk of the Board of Supervisors.

LEGAL NOTICE

RESOLUTION OF INTENTION TO DEDICATE INTEREST IN REAL PROPERTY

On motion of Member Long, seconded by Member Cosby, the following resolution is adopted:

WHEREAS, San Diego Gas & Electric Company, has requested this Board to dedicate an interest in real property to said applicant for purposes set forth below; and

WHEREAS, in the judgement of this Board public convenience makes it expedient that said request be granted; NOW THEREFORE

BE IT RESOLVED AND ORDERED that the Governing Board of the Lemon Grove School District of San Diego County, California, hereby declares that it is the intention of this Board to dedicate to San Diego Gas & Electric Company an interest in the real property of the District for the following purposes:

An easement for guy poles, anchors, and anchor guy wires over, along and across the property of the District described as follows: That portion of Lot 10 of Subdivision No. 2 in Lot 12 of the Partition of Rancho Mission, according to Map thereof No. 686, filed in the office of the Recorder of said County of San Diego, described in a Deed recorded in Book 4390, Page 95, Official Records of said County of San Diego.

Said easement of right of way in the above said lands is particularly described as follows:

Within that certain 4.0 foot strip of land, being 20 feet on each side of the following described center line: Commencing at the Southwest corner of Lot 10 of Alfred Subdivision, according to Map thereof, No. 2600, filed in the office of the Recorder of said County of San Diego; thence South 88°47'50" West, along the Westerly prolongation of the Southerly line thereof, 30.0 feet; thence North 1°16'00" East, 134.36 feet; thence North 89°40'40" West, 41.35 feet to the true point of beginning of said center line of right of way; thence from said true point of beginning, South 89°40'40" East, 6.35 feet, more or less, to the Easterly line of the above described property. Provided, however, that in the event the use of said real property for the purposes designated herein is discontinued, said property shall revert to the District.

BE IT FURTHER RESOLVED AND ORDERED that a public meeting be held by this Board at its regular place of meeting, Education Center, 8025 Lincoln Street, Lemon Grove, California, on November 12, 1963, at 8:00 o'clock p.m., at which time all persons interested may appear and show cause if any they have why said dedication should not be made.

BE IT FURTHER RESOLVED AND ORDERED that notice of the adoption of this resolution and of the time and place of holding said meeting shall be given by posting copies of said resolution, signed by the members of this Board, or by a majority thereof, in three (3) public places in said District not less than ten (10) days before the date of said meeting, and by publishing this notice once not less than five (5) days before the date of the meeting in Lemon Grove Review, a newspaper of general circulation published in the County in which this District is located and having a general circulation in the District.

PASSED AND ADOPTED by the Governing Board of the Lemon Grove School District of San Diego County, California, this 28th day of October, 1963.

COUNTY OF SAN DIEGO NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the Board of Supervisors, Room 306, Civic Center, Administration Building, San Diego, California, until 2:00 o'clock P. M. on November 25, 1963, at or about which time they will be publicly opened and read in the same building in the Board of Supervisors Chambers, for construction in accordance with the specifications therefor, to which special reference is made, of portions of County Highways, as follows:

Installation of Traffic Signal and Safety Lighting Systems at the Intersections of Jamacha Road (R. S. 755) and Sweetwater Road, Imperial Avenue (R. S. 1243) and Massachusetts Avenue in the Vicinity of Lemon Grove and Cuyamaca Street (R. S. 1114) And Mission Gorge Road in the Vicinity of Santee.

ENGINEER'S ESTIMATE
Item Quantity Description

1. Lump Sum Construct Traffic Signals and Intersection Lighting System at Jamacha Road (R. S. 756) and Sweetwater Road

2. Lump Sum Construct Traffic Signals and Intersection Lighting System at Imperial Avenue (R. S. 1243) and Massachusetts Avenue in the Vicinity of Lemon Grove

3. Lump Sum Construct Traffic Signals and Intersection Lighting Systems at Cuyamaca Street (R. S. 1114) and Mission Gorge Road in the Vicinity of Santee.

Under the provisions of the California Labor Code the Board of Supervisors has determined the prevailing rate of per diem wages for the locality to be as follows (Rates are for an 8-hour day unless otherwise specified):

Carpenter, Journeyman - \$34.00;
Cement Mason, Journeyman - \$34.00;
Roller Screed Operator - \$33.88;
Reinforcing Ironworker - \$36.80;
Journeyman Electrician or Lineman - \$40.00; Laborers, General or Construction - \$28.84; Concrete Mixer Operator - Skip Type - \$32.16; Motor Patrol Operator (any type or size) - \$37.28; Tractor Operator - Dragline or Shovel, Bulldozer, Tamper, Scraper, and Push Tractor - \$36.48; Rubber-tired, Heavy Duty High-Speed Equipment Operator - Oshkosh, DW, Euclid, Le Tourneau, La Plante Choate, or similar type equipment, with any type attachments, and push tractor on this type equipment - \$36.48; Universal Equipment Operator (Shovel, Back-hoe, Drag-line, Derrick, Derrick Barge, Jawshelet, Crane, Pile Driver, and Mucking Machine) - \$37.28; Drivers of Dump Trucks of less than 4 yards water level - \$29.40; Drivers of Dump Trucks, 4 yards but less than 8 yards water level - \$29.64; any classification omitted herein not less than \$25.24.

OVERTIME AND HOLIDAY WORK: Time and one-half for all overtime, except Sundays and Holidays, which are double time. The holidays upon which double time rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, as may be deemed necessary or expedient by the said Board of Supervisors.

All bids are to be compared on the basis of the Engineer's estimate of the quantities of work to be done.

No bids will be accepted from a contractor who is not licensed under Chapter 9, Division 3, Business and Professions Code, or to whom a proposal form has not been issued.

The attention of bidders is particularly directed to the provisions of Section 7-1.01F of the specifications regarding the use of domestic materials; and also to the provisions of Section 8-1.01 and 8-1.02 of the specifications, regarding subcontracting and assignment of the contract respectively.

Plans, forms of proposals, bonds, contract, special provisions and specifications may be examined at the office of the County Surveyor, 5555 Overland Avenue, Building 2, San Diego 23, California. Copies of plans and specifications may be obtained at said office upon payment of \$8.00. If payment is made by check, it should be made payable to "County of San Diego." No refund will be made.

No bid will be received unless it is made on a form furnished by the County Surveyor and accompanied by the security referred to therein. Forms of bid proposals and bonds may be obtained at the County Surveyor's office.

The Board of Supervisors reserves the right to reject any or all bids, and the right to waive irregularities or informalities in any bids or in the bidding.

Dated October 22, 1963.

Panthers Whip Griffis 35-13 In Homecoming Game

By Norman Hutsell

Chaffey College exploded for 21 points in the second half here Saturday night in Helix Stadium to hand Grossmont College their fifth defeat and ruin the Griffins homecoming, 35-13.

The Panthers now have a record of 3-4 while Grossmont is in seventh place at 2-5.

Held to a 14-13 edge at half-time, the aroused Alta Loma unit opened up their passing attack and quarterback Jim Wilcox passed for two touchdowns to seal the Griffins' fate.

Frank Hostetler caught two scoring aerials from Wilcox, who ran for two touchdowns himself.

Grossmont took a 7-0 lead in the first quarter when quarterback Mike Huse connected with end Pete Ostrom for a 45 yard score. Wayne Carroll converted.

However, the Panthers roared

Washington Correspondent To Speak Here

Roscoe Drummond, nationally known columnist, will spend several hours November 12 on the Grossmont College campus in informal discussions with students and faculty.

Drummond will speak at 8 p.m., that day in the Grossmont high school auditorium on "The State of the Nation." Admission to the general public is \$1.

On campus, the noted newsman will meet at noon in Room 605 on the college campus for informal discussion with any interested students, faculty or general public. Later in the afternoon the home economics class will host an informal tea for Drummond and the college faculty.

Drummond writes the four-times-weekly column, "Washington," which appears in more than 100 newspapers. Often called "Mr. Washington Correspondent," he was for some years executive editor of the Christian Science Monitor and later chief of the Washington bureau of the New York Herald-Tribune.

After his speech, Drummond will be quizzed by a panel of Grossmont College history and journalism students. He will be introduced by Ray Reynolds, college journalism instructor.

back with two early second quarter touchdowns to take a 14-7 lead. Both Chaffey scores came on runs by Wilcox of 14 and four yards.

Virgil Parks put the Griffins back in the game with 1:40 left in the first half by snaring a three-yard pass from Huse, but the Griffins failed on a two-point conversion attempt giving the Panthers a lead at intermission.

Hostetler caught his first scoring pass, a 47-yarder, with three minutes expired in the third period for a 20-13 Chaffey lead, and, in the last quarter, received a five yard pass over the goal line on a crucial fourth and five situation for a 28-13 Chaffey lead.

John Hall, reserve Panther quarterback, ran for the visitors last touchdown on a one yard dive.

Although the Griffins were gloom in seeing their chances for a winning season go up in the air, one young lady wasn't too unhappy.

She was Shirley Watton, sponsored by the Criminology Club, who was named as 1963 Homecoming Queen at halftime.

HOMECOMING QUEEN CANDIDATES—Jennie Matchie, Linda Weller, Julie Akers, Darlene Anderson and Carol Chilton are candidates for title of Helix High School Homecoming Queen. Winner will be named Friday night.

LG SENIOR CITIZENS TO ELECT OFFICERS

Lemon Grove Senior Citizens Club will hold their next meeting November 11 at 11:30 a.m. at the First Presbyterian Church, 2700 Glebe rd., Lemon Grove.

This will be a potluck dinner and election of officers. Remember to bring your own table service.

Plans are being made for a Christmas Party to be held on December 9th.

Helix Homecoming Queen To Be Named Friday Night

A reception, assembly, tea and the crowning of the homecoming queen will be included in the activities of Helix High's 12th annual homecoming Friday.

The reception will be held from 12 to 12:45 p.m. in the foyer.

Following the reception, an alumni assembly will hear an address by Dr. John T. Warburton, Grossmont Union High School District assistant superintendent. Dr. Warburton was Helix vice principal from 1951-1955.

Bill Hire, Alumni Association president, will report activities and aims of the association and will introduce new alumni Association officers.

Introductions of special guests and an explanation of Helix's homecoming will be features of

the students' assembly. Tony Dulawan, Senior Class president, said.

Homecoming queen candidates will be introduced. They are Julie Akers, daughter of Mr. and Mrs. Fred Akers, 4160 Yale Ave., La Mesa; Darlene Anderson, daughter of Mr. and Mrs. M. D. Anderson, 2814 Massachusetts Lemon Grove; Carol Chilton daughter of Mr. and Mrs. M. M. Chilton, 4262 Olive Ave., La Mesa; Jennie Matchie, daughter of Mr. and Mrs. G. T. Matchie, 4770 Garfield, La Mesa, and Tina Weller, daughter of Mr. and Mrs. W. S. Weller 4629 Katherine Place, La Mesa.

The Alumni Tea, sponsored by the Helix Lassies, will be held the Green Room starting at 2:21 p.m. The tea, with the theme, "Years Gone By," will give the alumni another chance to renew old friendships.

Crowning of the homecoming queen during the half-time show of the Helix-Monte Vista football game, Friday will climax the day's activities.

Candidates will enter the stadium in cars provided by the La Mesa Automobile Association and will be escorted into the field where the Helix Green and Silver Band and the Hi-Stepers will have formed a crown.

Candidates' escorts will be Helix alumni from the Class of 1953. The Alumni Association will honor the class of 1953 at its 12th annual homecoming party Friday at 9 p.m. at Caspar's in El Cajon. Ron Kelley, vice president of the Alumni Assn., is in charge.

FASTER JIMBO! — Mount Miguel right half for a near touchdown as El Capitan end Rich Jimbo Stevens (25) carries the ball 31 yards and Beckman (24) goes in for the tackle.

Matadors Succumb 28-7 To El Capitan Vaqueros

By Dave Lewis

Outplayed by an El Capitan team which saw its best game of the season, Mount Miguel's Matadors suffered their first Grossmont league loss last Friday.

Clashing on the Miguel field, the Vaqueros were in command throughout the game. With three minutes to go in the first quarter, Miguel's Tom Van Benthuysen fumbled the ball in a fourth-down kicking situation. Recovered by El Cap., Reed Flory passed to Dave Duncan in the next play 23 yards and a touchdown.

Ray Homesley's kick made the score 7-0. With 30 seconds remaining, the Vaqueros, in possession of the ball because of an interception by Reed Flory, scored again on a 37 yard run

by Dave Duncan. The extra point blocked, the scoreboard read 13-0, El Capitan.

Five minutes into the second quarter, following another Miguel fumble, the Vaqueros tallied another six points as Tom Hunt ran 19 yards into the end zone.

After the half the Matadores moved the ball 80 yards in 14 plays. Quarterback Steve Frank climaxed the attack with a one-yard plunge over the goal, followed by Luther Clark's point after touchdown. With six minutes in the quarter, El Cap still led, 19-7. A hike from center out of reach, Tom VanBenthuysen fumbled, and after recovering the ball, was forced from the end zone, giving El Capitan an additional two points on a safety.

Early in the fourth quarter, Dick Tuffland dropped a punt by the Vaqueros, with El Cap recovering. In a subsequent play, Reed Flory threw 20 yards to Chris Grun for the final score of the game. When the gun sounded marking the end of the fourth quarter, El Cap had won its fourth league match, 28-7.

Now in a second-place tie with the Vaqueros, Miguel must win its next two encounters to remain in competition for the championship. While chances for a victory tomorrow night are excellent, the November 15 battle with Helix favor Miguel. Unless Helix is stopped by Miguel, the Highlanders will represent the district in CIF playoffs.

Local United Republicans To Attend State Meeting

United Republicans of Lemon Grove will send seven delegates and alternates to the special United Republicans of California convention in Los Angeles Nov. 9-10. It was announced today by Tom Clabby, unit president.

They will join with some 1,000 delegates and alternates from all parts of the state who are expected to attend the two-day meeting, Clabby said. The sessions will be held at the Statler Hilton hotel.

Highlight of the convention will be a luncheon panel of Republican legislators who will dissect the Brown-Unruh-Mosk regime in Sacramento, and a dinner address, "Victory '64," by Congressman Bruce Alger (R-Texas).

The dinner meeting will also feature a special stage production.

"New Frontier Follies" which lampoons the various foibles and failures of the Kennedy administration, Clabby said.

Names of delegates and alternates from the Lemon Grove, a local UROC unit, includes: Mr. and Mrs. Tom Clabby, Charles Brown, Dr. and Mrs. James Ketchom and Mr. & Mrs. Austin Ryan.

Alternates are Mr. & Mrs. Tom Little and Mrs. R. Parks. UROC was founded in April 1963. It has been called the fastest growing political organization in the country. Bruce V. Reagan, state chairman, reports it now has 156 local units and a membership of about 5,000. It is generally considered to reflect conservative opinion in the Republican party.

Monte Vista Parents Visit Class Tonight

Monte Vista high school parents will be following their youngsters' class schedules tonight, Thursday, to see what progress students are making and to get better acquainted with teachers.

Parents will begin classroom visitations at 8 p.m. Monte Vista International Club will sell refreshments at different points on campus, and the PTA will not have a business meeting, according to Mrs. Wallace Boas.

Honorary Life Membership Committee members were elected at the October 28 meeting of the PTA executive board. Serving this year on the committee will be Mrs. James D. Nall, chairman, Mrs. Arthur Caldwell, Mrs. John Melega, Mrs. Edward Gurling and Mrs. Paul Brose.

Mrs. Arthur Caldwell, parent education chairman, has announced that November 19 has been set for the first parent education meeting. J. Peace, senior counselor, and other school administrators will be prepared to discuss such subjects as college entrance examinations and scholarships available in this area at this meeting, which is open to senior parents.

Plans for the senior prom and after-prom also will be discussed at the meeting.

Students Impressed By 21-State Tour

"We were very impressed with our nation as a whole," reminisced Matadors John Thrill, senior, and Steve Hawkins, sophomore. The two boys, members of the Skyline Wesleyan Methodist Church Chapel Choir, traveled over 8,000 miles this summer visiting 21 states in a singing tour of the Nation.

A highlight of their trip was an appearance at the International Convention of the Wesleyan Methodist denominations at Marion, Ind.

"An ironic occurrence found us in Washington D.C. on the Fourth of July, playing football with a colored boy," stated John. Though they noted few Negroes in their audiences, the boys said that they found very little discrimination of the Negroes on their trip.

Another thing that the boys noted was that a story concerning San Diego's march on City Hall, which went comparatively unnoticed in San Diego, made the front page in Washington.

Story Hour To Continue

The first pre-school story hour sponsored by the Casa de Oro PTA at the Casa de Oro County Library was termed a big success as 51 children attended.

The PTA will continue the story hours every Wednesday at 10 a.m. and another at 10:30 a.m. as long as a large group shows interest.

The project is under the direction of Mrs. John Shalom, PTA library chairman, with Mrs. James Van Twick as the story teller.
